

Referees Assistant/Umpires Assistant Interactive CD-ROM

Developed in conjunction with the relevant sport governing bodies, these comprehensive interactive references allow the laws of various sports to be taught via PC and support the Level 2 BTEC Award in Understanding the Laws of Sport

The software also supports the delivery of various BTEC First and National awards in sport, the Analysis of Performance and Key Skills components of GCSE PE and the practical assessments and Key Skills components of A Level PE.

Each sport CD-ROM contains hundreds of footage clips and interactive animations and questions to help develop and deepen users' understanding of the laws of their sport, all with expert commentary to explain the laws in detail. Users can also test their knowledge at the end of each individual law section, as well as taking a mock exam, to prepare themselves for the relevant governing bodies' formal examination in the laws of the game.

Eight individual sport CD-ROMs are available for the 2007-08 academic year, covering Football, Rugby Union (produced with and endorsed by the IRB and RFU) Rugby League (produced with and endorsed by the RFL) Tennis (produced with and endorsed by the LTA) Cricket (produced with and endorsed by the ECB) Badminton (produced with and endorsed by Badminton England) Squash (produced with and endorsed by England Squash) and Triathlon (produced with and endorsed by British Triathlon)

Pricing

The products are sold as network DVD-ROMs and are priced at:

- £250 - any 2007-08 SINGLE sport CD-ROM
- £500 - the 2007-08 FULL SUITE of 8 sport CD-ROMs

(Centre-wide license, unlimited number of users and PCs)

This entitles a centre to a full years use to 30th August each year.

Purchasing using e-Learning Credits

The CD-ROMs can be purchased using e-learning credits (ELCs).

Every school has a dedicated, ring-fenced pot of ELC money specifically and exclusively for purchasing computer software. If any of this budget remains unspent or uncommitted (through placing an order for software) by 30th August, it will be clawed back by the DfES. Use it or lose it! Speak to your ICT co-ordinator/budget holder or your bursar!
